EDUCATION AND TRAINING

B.A.	Psychology	University of Pennsylvania, Philadelphia, PA	09/1998-12/2001
M.A.	Psychology	University at Buffalo, Buffalo, NY	09/2006-09/2009
Ph.D.	Clinical Psychology	University at Buffalo, Buffalo, NY	09/2009-09/2012
	Clinical Internship	Yale University, New Haven, CT	07/2011-06/2012
	NIAAA Postdoctoral Fellowship	University of Michigan, Ann Arbor, MI	06/2012-06/2014
	NIDA Postdoctoral Fellowship	University of Michigan, Ann Arbor, MI	08/2014-07/2015

CERTIFICATION AND LICENSURE

Community Parent Education Program and Behavioral Skills, Certification	09/2008
Suicide and Prevention and Trauma, Certification	10/2010
The Coping Power, Group-Based Intervention for Aggression Certification	03/2011
Genetics of Addiction, Certification	09/2016
Clinical Psychology License, State of Michigan (6301015501)	06/2014-Present
Clinical Psychology License, State of Florida (PY 9466)	12/2015-Present

ACADEMIC AND CLINICAL APPOINTMENTS

Academic

Assistant Professor: Department of Psychology, Florida International 08/2015-07/2020

University, Miami, FL
Adjunct Assistant Professor: Department of Psychiatry, University of Michigan, Ann Arbor, MI 11/2015-Present
Associate Professor: Department of Psychology, Florida International University, Miami, FL 08/2020-Present
Associate Director of Clinical Training: Clinical Science in Child and Adolescent Psychology Program 06/2021-Present

Clinical

Predocloral Clinical Fellow: Yale University, School of Medicine, New Haven, CT 07/2011-06/2012
Postdoctoral Clinical Fellow: University of Michigan Psychological Clinic, Mary A. Rackham Institute 06/2013-06/2014
Clinical Supervisor: Center for Children and Families, Florida International University, Miami, FL 08/2015-Present

GRANTS

Active Grants

National Institute on Drug Abuse (T32 DA043449) “Training Program in Adolescent Substance Use Disorders and Co-Occurring Mental and Behavioral Disorders,” 08/01/2019-07/30/2024 (\$1,524,306). PI: Pelham. Role: Primary Mentor (0% Effort).

National Institute on Drug Abuse (U01 DA041156) “ABCD-USA CONSORTIUM: RESEARCH PROJECT SITE AT FIU,” 04/15/2020-03/31/2027 (\$1,255,155). mPI: Raul Gonzalez and Angela Laird. Role: Co-Investigator (5% Effort).

Submitted Grants

National Institute on Drug Abuse (R01 DA057988-A1) “The role of sleep problems in multilevel pathways to adolescent substance use,” 04/2024-03/2029 (\$3,639,482).
MPIs: Elisa Trucco and Matthew Sutherland

Florida Department of Health, James and Esther King Biomedical Research Program (20028) “Developing an E-Cigarette Cessation Intervention for Hispanic/Latina(o) Youth in Florida,” 04/2024-03/2028 (\$1,499,994).
PI: Elisa Trucco

National Institute on Minority Health and Health Disparities (P50) “Center for Latino Health Research Opportunities (CLaRO)”
MPIs: Guillermo Prado Mario De La Rosa
Role: Primary Mentor

Previous Grants

National Institute on Alcohol Abuse and Alcoholism (T32 AA007477) “Multidisciplinary Alcoholism Research Training Program,” 07/01/08-06/30/13 (\$2,560,429).

PI: Kirk Brower. Role: Postdoctoral Fellow

National Institute on Drug Abuse (T32 DA007267) “Substance Abuse Interdisciplinary Training Program,” 08/01/2014-7/31/2015 (\$289,701). PI: Margaret E. Gnegy. Role: Postdoctoral Fellow

Florida International University, Cross-College Faculty Collaboration Grant “Integrating & Understanding Adversity and Wellness: Answers from the Web,” 7/1/2016-8/31/2017 (\$2,000).

PI: Nicole Fava. Role: Co-Investigator.

Cancer Research United Kingdom (C18486/A25644) “Advancing cancer prevention pricing interventions across the UK and US: Optimising message framing,” 10/01/2017-3/31/2019; no-cost extension 12/2019 (£40,000 [\$50,671 USD currency conversion calculated 6/22/2017]). PIs: David Conway and Joseph Lee. Role: Co-Investigator.

Cancer Research United Kingdom (C63941/A25647) “Changing How People Think and Feel about Cancer Prevention Behaviours: Translating Neuroscience into Population Health,” 10/01/2017-3/31/2019 (£39,957 [\$50,617 USD currency conversion calculated 6/22/2017]). PIs: Sara Levens and Laura Martin. Role: Co-Investigator.

Frontiers Clinical and Translational Science Institute, University of Kansas, “Changing how the brain responds when making health decisions: Translating neuroscience into population health,” 07/01/2018-06/30/2019 (\$20,000). PI: Laura Martin. Role: Co-Investigator.

National Institute on Drug Abuse (U01 DA041156) “FIU-ABCD: Pathways and mechanisms to addiction in the Latino youth of South Florida,” 10/01/2015-09/30/2020 (\$12,689,357). PI: Raul Gonzalez. Role: Co-Investigator.

Center for Research on US Latino HIV/AIDS and Drug Abuse (CRUSADA) Supplemental Pilot Studies Program “Sociocultural factors impacting reward processing and electronic nicotine delivery system use among Latino teens,” 04/01/19-03/31/21 (\$49,917). PI: Riedel. Role: Primary Mentor.

National Institute on Alcohol Abuse and Alcoholism (K08 AA023290) “Environment, Genes, and Temperament on the Development of Alcohol Use Disorder,” 09/01/2015-12/31/2021, No-Cost Extension (\$872,848). PI: Elisa M. Trucco.

National Institute on Alcohol Abuse and Alcoholism (R01 AA024433) “Developmental and peer effects on the neurobiology of cognitive control and reward processes,” 7/01/17-06/30/2022 (NCE) (\$2,416,589). PIs: Brian M. Hicks and Mary Heitzeg. Role: Co-Investigator.

National Institute on Minority Health and Health Disparities (3U54MD012393-04S2) “Impact of COVID-19-related experiences on mental health, substance use, and the brain

among underrepresented youth: Leveraging the ACE Project,” 09/01/2020-06/30/2023 (NCE; \$184,189). Project Leads: Matthew T. Sutherland and Elisa M. Trucco.

National Institute on Drug Abuse (F31DA053003), “Identifying drug and alcohol displays on social media using a machine learning approach, and mechanisms that impact adolescent substance use,” 07/01/2021-06/30/2023 (\$36,877). PI: Julie Cristello Role: Sponsor.

National Institute on Minority Health and Health Disparities (U54 MD012393; Sub-Project ID: 5378) “Antecedents and Consequences of Electronic Nicotine Delivery Systems in Underrepresented Youth,” 9/20/2017-6/30/2023 (NCE; \$1,562,804). Project Leads: Elisa M. Trucco and Matthew Sutherland.

Proposals Submitted but Not Funded

National Institute on Drug Abuse (R01) “The role of sleep problems in multilevel pathways to adolescent substance use,” 04/2023-03/2028 (\$3,639,482).
MPIs: Elisa Trucco and Matthew Sutherland

National Institute on Drug Abuse (R01) “A longitudinal study on the link between adverse childhood experiences and adolescent substance use: Measurement, mechanisms, and protective factors,” 07/2023-06/2028 (\$3,792,780).
MPIs: Anne Buu and Elisa Trucco

American Psychological Foundation “Development of a Culturally Relevant Caregiver-Report Measure of Adolescent Temperament Tailored to Latino Families Residing in the United States: A Mixed Methods and Participatory Research Project,” 08/2023-08/2024 (\$24,999).
PI: Sarah Hartmann
Role: Sponsor

National Institute on Drug Abuse (R01) “Statistical methodology for uncovering genetic variants, mechanisms, and brain development associated with polysubstance use trajectories in adolescence” (\$1,250,000). PIs: Anne Buu, James Yang, & Xi Luo. Co-Investigator (10% Effort).

Florida International University, Office of Research & Economic Development, Faculty Grantsmanship Development Program, “Development and Empirical Support for an Intervention to Help Teens Quit Vaping” (\$24,999). PI: Elisa M. Trucco

National Institute on Drug Abuse (Ruth L. Kirschstein National Research Service Award), “Identifying drug and alcohol displays on social media using a machine learning approach, and mechanisms that impact adolescent substance use,” PI: Julie Cristello. Role: Sponsor

National Institute on Drug Abuse (R01) “Statistical methodology for uncovering genetic variants, mechanisms, and brain development associated with polysubstance use trajectories in adolescence” (\$1,250,000). PIs: Anne Buu, James Yang, & Xi Luo. Co-Investigator (10% Effort).

National Institute on Drug Abuse (T32) “FIU’s Advanced Data Analytics Predoctoral Training Program (FIU-ADAPT),” 03/01/2020-02/28/2025 (\$1,056,173).

PIs: Eric Wagner Zoran Bursac. Role: Primary Mentor (8% Year 1).

National Institute of Mental Health (R01) “Links between Peer Influences on Reward Processes and Psychopathology in Adolescence,” (\$2,599,989). PIs: Brian M. Hicks and Mary Heitzeg. Role: Co-Investigator (10% Effort).

National Institute on Drug Abuse (R01) “Statistical methodology and secondary analysis for gene-environment interplay, progression, and comorbidity in substance use disorders.” (\$2,284,011). PIs: Anne Buu and James Yang. Co-Investigator (18% Effort).

The James and Esther King Biomedical Research Program, Florida Department of Health “Antecedents and Consequences of Electronic Nicotine Delivery Systems in Youth,” (\$1,303,747). PIs: Elisa Trucco and Matthew Sutherland. Role: Co-PI (18% Effort).

National Institute on Drug Abuse (R01) “Innovative statistical methodology for time-varying gene-environment effects, progression, and comorbidity in alcohol and other substance use,” (\$1,257,265). PIs: Anne Buu and James Yang. Role: Co-Investigator (18% Effort).

National Institute on Drug Abuse (R01) “Statistical methodology for examining genetic risk and brain development associated with longitudinal patterns of polysubstance use in adolescence” 04/2022-03/2027. (\$2,284,011). MPIs: Anne Buu, James Yang, & Xi Luo. Co-Investigator (10% Effort).

National Cancer Institute (R01) “Measuring doses of e-cigarette chemicals deposited in youth’s airways through secondhand exposure at home and the effects on vulnerability to initiation of tobacco use and respiratory health,” 09/2022-09/2027.

MPIs: Anne Buu & Wei-Chung Su. Role: Co-Investigator

National Institute on Drug Abuse (R01) “Methodology development and secondary analysis for genetic risk and brain development associated with longitudinal patterns of polysubstance use in adolescence,” 12/2022-12/2027.

MPIs: Anne Buu, Xi Lou, & James Yang. Role: Co-Investigator

HONORS AND AWARDS

Dean’s Fellowship, Univ. at Buffalo, Buffalo, NY	2006-2010
Rice Award, Department of Psychology, Univ. at Buffalo, Buffalo, NY	2010
Departmental Dissertation Award, Department of Psychology, Univ. at Buffalo, Buffalo, NY	2011
Travel Award, Society for Research on Adolescence, Biennial Meeting, Vancouver, Canada	2012
Leadership Award, Yale University, School of Medicine, New Haven, CT	2012

Travel Award, Society for Prevention Research Annual Meeting, San Francisco, CA	2013
Junior Investigator Award, Research Society on Alcoholism	2013
Albert J. Silverman Postdoctoral Research Award, Department of Psychiatry, Univ. Michigan, Ann Arbor, MI	2014
<i>Addictive Behaviors</i> Journal, Outstanding Reviewer	2014
Enoch Gordis Research Recognition Award, Research Society on Alcoholism	2015
Emerging Scholar Spotlight, Society for Research on Adolescence	2015
Scholarship, National Institute of Drug Abuse (NIDA), Short Course on the Genetics of Addiction	2016
Rising Star, Association for Psychological Science	2017
Top Scholar, Junior Faculty with Significant Grant Funding in the Sciences, College of Arts, Sciences & Education, Florida International University	2017
Top Scholar, Notable Awards/Honors, College of Arts, Sciences & Education Florida International University	2017
Faculty Award, Exemplary Achievement in Research, College of Arts, Sciences & Education, Florida International University	2017
Faculty Senate Award, Excellence in Engagement, Florida International University	2020
Community Engagement Award, College of Arts, Sciences & Education, Florida International University	2020
University Graduate School Provost Award for Mentorship of Graduate Students, Florida International University	2021

CONFERENCE PRESENTATIONS (underline represents a mentored student)

Invited Talks

1. **Trucco, E. M.**, Hicks, B., Nigg, J., Burmeister, M., & Zucker, R. A. (2015, June).

Temperament and externalizing behavior mediate genetic effects on adolescent alcohol, cigarette, and marijuana use. Paper presented at the Research Society on Alcoholism Annual Meeting, San Antonio, TX. *Winner of Enoch Gordis Research Recognition Award.

2. **Trucco, E. M.** (2018, May). Understanding the role of genes on adolescent behavior through a developmental lens. Invited talk for the Clinical Science Forum at the Association for Psychological Science Annual Convention, San Francisco, CA.
3. **Trucco, E. M.** & Sutherland, M. T. (2019, November). What everyone needs to know about e-cigarette use among teens. FIU-RCMI's Community Engagement Speaker Series, Miami, FL. Host: Dr. Melissa Howard.
4. **Trucco, E. M.** (2020, January). Understanding biological, social, and individual factors to improve substance use prevention program for youth. Citrus Health Network Grand Rounds, Miami, FL. Host: Dr. Adriana Foster.
5. **Trucco, E. M.** & Sutherland, M. T. (2020, February). What everyone needs to know about e-cigarette use and vaping among teens. Invited talk for the Miami International Child & Adolescent Mental Health Conference, Miami, FL. Host: Dr. Jonathan Comer.
6. **Trucco, E. M.** & Sutherland, M. T. (2020, February). The ACE Project: Community Outreach and Partnerships. FIU-RCMI Health Equity Symposium, Miami, FL. Host: FIU-RCMI.
7. **Trucco, E. M.** (2020, March). Overview of adolescent electronic cigarette use and preliminary results from the ACE Project. Center for Research on U.S. Latino HIV/AIDS and Drug Abuse (CRUSADA), Miami, FL. Host: Dr. Mario de la Rosa
8. **Trucco, E. M.** & Sutherland, M. T. (2020, March). The ACE Project: Antecedents and consequences of Electronic Nicotine Delivery Systems. Consortium for a Healthier Miami-Dade Tobacco Free Workgroup Virtual Meeting, Miami, FL. Takyah Smith, MPH.
9. **Trucco, E. M.** & Sutherland, M. T. (2020, June). The ACE Project: Antecedents and consequences of Electronic Nicotine Delivery Systems' United Way of Broward County Commission on Behavioral Health and Drug Prevention Workgroup Virtual Meeting. Host: Jenna Stein, CPS.
10. Fosco, W., Valente, M., Cristello, J.V., Fallah-Sohy, N., Hartmann, S., & Trucco, E.M. (mentor) (2020, July). Environmental predictors of problematic alcohol use in adulthood: A twin study. Annual SPR Sloboda and Bukoski Cup. Invited talk at the annual conference of the Society for Prevention Research Virtual Conference.
11. **Trucco, E. M.** & Sutherland, M. T. (2020, September). Nicotine use rises from the ashes: Teens, e-cigarettes, and vaping. Campus Outreach Services Virtual Webinar. Host: Katie Koestner.

12. **Trucco, E. M. & Sutherland, M. T.** (2020, September). Impact of COVID-19-related experiences on mental health, substance use, and the brain among underrepresented youth: Leveraging the ACE Project. FIU-RCMI Research in Progress Virtual Seminar. Host: FIU-RCMI.
13. **Trucco, E. M.** (2020, October). Adolescent substance use: A bioecological analysis of risk and protection. FIU's Center for Children and Families T32 training seminar (online). Host: Dr. William Pelham.
14. **Trucco, E. M. & Sutherland, M. T.** (2021, May). Parent/peer/faculty-connect: Inhaling more than air. Vaping and e-cigarettes. Campus Outreach Services Virtual Webinar. Host: Katie Koestner.
15. **Cristello, J. V. & Trucco, E. M.** (2021, May). ACE Project: Antecedents and Consequences of Electronic Nicotine Delivery Systems. Brake the Vape Taskforce and Youth Action Team (YAT) for the United Way of Broward County Commission on Behavioral Health & Drug Prevention. Host: Jenna Stein, CPS.
16. **Trucco, E. M.** (2022, April). E-cigarette use & vaping: What you need to know. Hialeah Community Coalition's Vaping Forum. Host: Elizabeth Garcia
17. **Trucco, E. M.** (2022, May). Vaping among Youth: Understanding Risk and Protection among a Vulnerable Population. BUILD PODER Research Enrichment Virtual Speaker Series, California State University, Northridge. Host: Dr. Shu-Sha Angie Guan
18. **Trucco, E. M.** (2022, July). E-Cigarette Use: What You Need to Know. Consortium for a Healthier Miami-Dade, Florida Department of Health. Host: Candice Schottenloher, PMH, CHES
19. **Trucco, E. M.** (2022, September). Understanding Etiological Processes in the Emergence of Electronic Cigarette Use. In *Elucidating the Unique Factors Driving Marijuana and Nicotine Vapor Use and Dependence* Panel, National Hispanic Science Network Annual International Scientific Conference, Grand Rapids, MI. Host: Dr. Ian Mendez and Alejandra Fernandez
20. **Trucco, E. M.** (2022, October). Understanding Etiological Processes in the Emergence of Electronic Cigarette Use. Southern HIV & Alcohol Research Consortium (SHARC), Monthly Research Seminar, University of Florida, Gainesville, FL. Host: Dr. Robert Cook and Dr. Robert Leeman
21. **Trucco, E. M.** (2022, November). E-Cigarette Use & Vaping: What you Need to Know. Student Services Conference, Miami-Dade County Public Schools. Host: Ana Tigerino
22. **Trucco, E. M.** (2023, February). FIU Healthcare Law Symposium: Tobacco Panel. Miami, FL. Host: Laela Zandkarimi and Alexandra Lagos.

23. **Trucco, E. M.** (2023, February). Title: What You Need to Know About Vaping and E-Cigarette Use Among Teens. Lawrence, Kansas. Cofrin Logan Center for Addiction Research and Treatment Seminar Series. University of Kansas, Lawrence, KS. Host: Dr. Michael Amlung.
24. **Trucco, E. M.** (2023, February). Title: Understanding Adolescent Substance Use through a Developmental Lens. Cofrin Logan Center for Addiction Research and Treatment Seminar Series. University of Kansas, Lawrence, KS. Host: Dr. Michael Amlung.
25. **Trucco, E. M.** (2023, April). Title: Understanding Adolescent Substance Use through a Developmental Lens. Montefiore Medical Center/ Albert Einstein College of Medicine. Host: Dr. Amanda Zayde.
26. **Trucco, E. M.** (2023, April). Understanding Etiological Processes in the Emergence of Electronic Cigarette Use. Hialeah Community Coalition's Vaping Forum. Host: Elizabeth Garcia
27. **Trucco, E. M.** (2023, July). Adolescent Alcohol Use: A Bioecological Perspective of Risk and Protection. Project ECHO, Health Sciences, University of New Mexico. Host: Dr. Cassandra Boness.
28. **Trucco, E. M.** (2023, October). TBD. University of Michigan Addiction Treatment Services (UMATS). Host: Dr. Meghan Martz and Dr. Alexander Weigard.
29. **Trucco, E. M.** (2024, January). TBD. Project ECHO, Health Sciences, University of New Mexico. Host: Hero Morrison.

Chaired Symposia & Discussant Roles

1. **Trucco, E. M.** (chair) P. Tolan (Discussant), *Putting Developmental-Ecological Models to the Test: Mediators and Moderators of Neighborhood Risk on Adolescent Outcomes* (2012, March). Paper symposium presented to the Society for Research on Adolescence Biennial Meeting, Vancouver, Canada.
2. **Trucco, E. M.** (chair) A. Hussong (Discussant), *Methodological advances to disentangle peer selection and socialization effects: A chicken-egg dilemma resolved?* (2014, March). Paper symposium presented to the Society for Research on Adolescence, Austin, TX.
3. **Trucco, E. M.** (Chair) and K. Sher (Discussant), *Charting a course for advancing candidate gene research in adolescence* (2016, March). Paper symposium presented to the Society for Research on Adolescence Biennial Meeting, Baltimore, MD.
4. Meisel, S. (Chair) & **Trucco, E. M.** (Co-Chair), *Circling Up: Using Interpersonal*

Theory and the Interpersonal Circumplex to Study Interpersonal Relationships Across Development (2019, March). Paper symposium presented to the Society for Research on Child Development Biennial Meeting, Baltimore, MD.

5. **Trucco, E. M.** (Chair), *Blowing Smoke: Individual, Social, and Biological Factors Linked to Electronic Cigarette Use Among Teens and Young Adults* (2020, March). Paper symposium accepted to the Society for Research on Adolescence Biennial Meeting, San Diego, CA. (Canceled due to COVID-19).
6. **Trucco, E. M.** (Chair), *Diversity in Psychosocial Development and Mental Health* (2020, March). Paper symposium accepted to the Society for Research on Adolescence Biennial Meeting, San Diego, CA. (Canceled due to COVID-19).
7. **Trucco, E. M.** (Chair), *Sleepless in Adolescence: The Role of Sleep Health on Adolescent Risk-Taking and Functioning* (2023, March). Paper symposium presented to the Society for Research on Child Development Biennial Meeting, Salt Lake City, UT.
8. **Trucco, E. M.** (Organizer), *Making the Most of the Graduate School Experience Without Compromising Health and Well-Being* (2023, March). Professional development event provided to the Society for Research on Child Development Biennial Meeting, Salt Lake City, UT.

Papers Presented

1. Greenfield, S. F., **Trucco, E. M.**, McHugh, R. K., Lincoln, M., Gallop, R. J. (2008, May). The women's recovery study: A stage I trial of women-focused group therapy for substance use disorders mixed-gender group drug counseling. Paper presented at the annual American Psychiatric Association Convention, Washington, D.C.
2. **Trucco, E. M.**, & Colder, C.R. Risky neighborhoods, parents, and peers: A cascade model of early adolescent substance use and reciprocal influences (2012, March). In **E. M. Trucco** (chair) P. Tolan (discussant), *Putting Developmental-Ecological Models to the Test: Mediators and Moderators of Neighborhood Risk on Adolescent Outcomes*. Paper presented at the Society for Research on Adolescence Biennial Meeting, Vancouver, Canada.
3. **Trucco, E. M.**, Villafuerte, S., Burmeister, M., Buu, A. & Zucker, R. A. (2013, May). Social environmental effects on externalizing behavior: Moderating effects on *GABRA2*. Paper presented at the Society for Prevention Research Annual Meeting, San Francisco, CA.
4. **Trucco, E. M.**, Villafuerte, S., Burmeister, M., & Zucker, R. A. (2013, June). Delinquency involved in mediating the association between *GABRA2* and substance abuse across adolescence. Paper presented at the Research Society on Alcoholism Annual Meeting, Orlando, FL. Abstract published in *Alcoholism: Clinical and Experimental Research*, 37 (Suppl. 2), 64A.

5. Burmeister, M., **Trucco, E. M.**, Villafuerte, S., Sen, S., Heitzeg, M., & Zucker, R. A. (2013, September). Serotonin transporter and GABA variants in behavior: Pathways and context dependence. Paper presented at The Genomics of Common Diseases Meeting, Keble College, Oxford, UK.
6. Burmeister, M., Villafuerte, S., **Trucco, E.**, Heitzeg, M., & Zucker, R. A. (2013, October). Personality, brain, development and gene x environment interactions on the path from *GABRA2* to alcoholism. Paper presented at the World Congress on Psychiatric Genetics conference, Boston, MA.
7. Scalco, M. **Trucco, E. M.**, Coffman, D., & Colder, C. R. (2014, March). Selection and socialization effects in early adolescent alcohol use: A propensity score analysis. In **E. M. Trucco** (chair) A. Hussong (discussant), *Methodological advances to disentangle peer selection and socialization effects: A chicken-egg dilemma resolved?* Paper presented at the Society for Research on Adolescence, Austin, TX.
8. **Trucco, E. M.**, Villafuerte, S., Burmeister, M., & Zucker, R. A. (2014, March). Reconceptualizing G x E interactions in adolescence: The role of *GABRA2* variants as susceptibility factors to positive peer influence. In S. Mrug (chair) R. Veenstra (discussant), *Genes and peers: How genes modify the effects of peer victimization and peer behavior on adjustment*. Paper presented at the Society for Research on Adolescence, Austin, TX.
9. **Trucco, E. M.**, Cope, L. M., Burmeister, M., Zucker, R. A., & Heitzeg, M. M. (2016, March). Combining genetic and fMRI data to enhance the identification of prospective pathways to adolescent problem behavior. In **E. M. Trucco** (Chair) and K. Sher (Discussant), *Charting a course for advancing candidate gene research in adolescence*. Paper presented at the Society for Research on Adolescence Biennial Meeting, Baltimore, MD.
10. Cope, L. M., Munier, E. C., **Trucco, E. M.**, Hardee, J. E., Burmeister, M., Zucker, R. A., & Heitzeg, M. M. (2016, June). Moderated mediation of alcohol risk: Effects of the serotonin transporter gene, level of response to alcohol, and parental monitoring. Paper presented at the Research Society on Alcoholism Annual Meeting, New Orleans, LA. *Winner of Enoch Gordis Research Recognition Award.
11. Burmeister, M., **Trucco, E. M.**, Ramdas, S., Parker, S., Heitzeg, M., Villafuerte, S., Zucker, R. A. (2016, October). *GABRA2* association with addiction-related endophenotypes is environmentally influenced. Paper presented at the World Congress of Psychiatric Genetics Annual Meeting, Jerusalem, Israel.
12. **Trucco, E. M.**, Schlomer, G. L., & Hicks, B. M. (2018, April). The role of developmental theory in understanding genetic effects on adolescent substance use. In G. L. Schlomer (Chair), *Developmental approaches to gene-environment interaction studies*. Paper presented at the Society for Research on Adolescence Biennial Meeting, Minneapolis, MN.

13. **Trucco, E. M.**, Villafuerte, S., Hussong, A., Burmeister, M., & Zucker, R. A. (2018, April). A Research Domain Criteria (RDoC) approach to uncovering internalizing pathways from genetic risk to problematic substance use. In J. Su (Chair) and S. Latendresse (Discussant), *Understanding mechanisms of genetic influences on adolescent psychopathology*. Paper presented at the Society for Research on Adolescence Biennial Meeting, Minneapolis, MN.
14. Fava, N. M., **Trucco, E. M.**, Martz, M., Cope, L., Jester, J., Zucker, R., & Heitzeg, M. (2018, April) Childhood adversity, externalizing behavior, and adolescent substance use: Mediating effects of brain functioning. In N. M. Fava (Chair), *Potential biomarkers that help to identify heterogeneous pathways from childhood adversity to adolescent psychopathology*. Paper presented at the Society for Research on Adolescence Biennial Meeting, Minneapolis, MN.
15. Diez, S., Cristello, J. V., Dillon, F. R., De La Rosa, M. & **Trucco, E. M. (senior author)** (2020, January). Validation of the Electronic Cigarette Attitudes Survey (ECAS) for Latinx and Non-Latinx Black Youth. Paper presented to the Society for Social Work and Research Annual Conference, Washington, D.C.
16. Madan, B., Sutherland, M. T., & **Trucco, E. M. (senior author)** (2020, March). Outcome expectancies mediate the impact of hopelessness and impulsivity on e-cigarette use intentions. Paper accepted to the Society for Research on Adolescence Biennial Meeting, San Diego, CA. (Canceled due to COVID-19).
17. **Trucco, E. M.**, Cristello, J. V., & Sutherland, M. T. (2020, March). Do parents still matter? The impact of parents and peers on electronic cigarette use attitudes and intentions. Paper accepted to the Society for Research on Adolescence Biennial Meeting, San Diego, CA. (Canceled due to COVID-19).
18. Levens, S. M., Sagui-Henson, S., Martin, L. E., Baldwin, A. S., Cooperman, N. A., Kassianos, A. P., **Trucco, E. M.**, & Mdege, N. D. (2020, March). The effects of positive affect and episodic future thinking on temporal discounting, and healthy good demand and choice among overweight and obese individuals: A pilot 2x2 factorial randomized controlled study. Paper accepted to the American Psychosomatic Society Annual Meeting, Long Beach, CA (Canceled due to COVID-19).
19. Zapata, M. F., Hartmann, S., Sutherland, M. T., & **Trucco, E. M. (senior author)** (2020, March). Social goals and vulnerability to peer influence: Adolescent substance use initiation. Paper accepted to the University of Maryland National Conference for McNair Scholars, College Park, MD (canceled due to COVID-19).
20. Flannery, J. S., Villar, M., Madan, B., Sutherland, B., Viera Perez, Crooks, K., **Trucco, E. M.**, & Sutherland, M. T. (June, 2020). Peer influences on adolescents' intentions for future electronic nicotine delivery system. Paper presented virtually to the College on Problems of Drug Dependence, Hollywood, FL.

21. Cristello, J. V., Fallah-Sohy, N., Sutherland, M. T., Comer, J. S. & Trucco, E. M. (senior author) (2021, April). Do adolescent and parent media use moderate the association between COVID-19 fears and adolescent anxiety? Paper presented virtually to the Society for Research in Child Development Virtual Conference.
22. Hartmann, S. A., Cristello, J. V., Manresa, O., Sutherland, M. T., & Trucco, E. M. (senior author) (2021, April). The use of cognitive interviews to aid in the development of a measure to assess quantity and frequency of adolescent e-cigarette use. Paper presented virtually to the UF CARE 8th Annual Symposium.
23. Sutherland, B. D., Fallah-Sohy, N., Kopera, M., Jackubczyk, A. Sutherland, M. T., & Trucco, E. M. (senior author) (2021, May). Alexithymia mediates the association between childhood trauma and adolescent substance use. Paper presented virtually to the Society for Prevention Research Conference. *SPR Minority “travel” award (registration fee).
24. Meldrum, R., Partin, R., Lehmann, P., Back, S., & **Trucco, E. M.** (2021, November). Low self-control, risky online lifestyles, and cyber victimization: A model of indirect effects. Paper presented at the annual meeting of the American Society of Criminology, Chicago, IL.
25. Cristello, J.V., Sutherland, M. T., & Trucco, E. M. (2022, April). Subjective norms as a mediator between online exposure to substance use and offline use among adolescents. In E. Stein (Chair), *Grant-funded student research on individual factors impacting alcohol and drug use: Highlighting opportunities and accomplishments by trainees*. Paper presented to the Collaborative Perspectives on Addiction Conference, Portland, OR.
26. Sutherland, B.D. Viera, P. M., Crooks, K.E., Flannery, J.S., Hill-Bowen, L.D., Riedel, M.C., Laird, A.R., Trucco, E.M., Sutherland, M.T. (2022, April). The association of amygdala-insula functional connectivity and adolescent e-cigarette use via sleep problems and depressive symptoms. Paper presented virtually to the UF CARE 9th Annual Symposium. *Winner of the best trainee presentation.
27. Hill-Bowen, L.D., Trucco, E. M., & Sutherland, M. T. (2022, May). Neurocognitive predictors of adolescent drug use: Working memory-related PCC deactivation and cognitive failures. Paper presented at the FIU Psychology Department, 1st Annual Graduate Recognition Awards and Flash Talks.
28. Viera Perez, P. M., Crooks, K. E., Flannery, J. S., Trucco, E. M., & Sutherland, M. T. (2022). Cognitive implications of structural brain connectivity alterations between nodes of the default mode network related to cannabis use and HIV infection. Paper presented at the FIU Psychology Department, 1st Annual Graduate Recognition Awards and Flash Talks.
29. Hartmann, S. A., Sutherland, M. T., & Trucco, E. M. (2023, March). The role of sleep as a pathway linking temperament and problem behavior in adolescence. In E. M. Trucco (Chair), *Sleepless in Adolescence: The Role of Sleep Health on Adolescent Risk-Taking and Functioning*. Paper presented to the Society for Research on Child Development Biennial Meeting, Salt Lake City, UT.

30. Fallah-Sohy, N. & **Trucco, E. M.** (2023, March). Examining reciprocal relations between parental knowledge, child disclosure, parental legitimacy beliefs, and adolescent alcohol use. Paper presented to the Society for Research on Child Development Biennial Meeting, Salt Lake City, UT.
31. Cristello, J. V. Litt, D.M., Sutherland, M.T., & **Trucco, E.M.** (2023, April). Associations between social media content and adolescent substance use: A serial-mediation approach. In J. Cristello (Chair), *Online and Offline Social Influences on Adolescent Substance Use: Implications for Prevention*. Paper presented to the Society of Addiction Psychology Collaborative Perspectives on Addiction Conference, Albuquerque, NM.
32. Cristello, J.V., Litt, D.M., Sutherland, M.T., & **Trucco, E.M.** (2023, May). Examining the impact of online social contexts on offline adolescent substance use. Paper presented at the 2nd Annual Psychology Graduate Recognition Awards and Flash Talks Event, Florida International University, Miami, FL.
33. Sutherland, B.D., Hill-Bowen, L.D., **Trucco, E.M.** & Sutherland, M.T. (June, 2023). Working memory alterations predict adolescent e-cigarette use and positive outcome expectancies via alexithymia. Paper presented to The College on Problems of Drug Dependence Conference, Denver, CO.

Posters Presented

1. Hunt, M., Miller, R., **Trucco, E.**, Liebowitz, A., Hernandez, M. (2001, July). The etiology of specific phobias: Is visceral imagery the missing link? Poster presented at the annual World Congress of Behavior Therapy and Cognitive Therapy Meeting, Vancouver, Canada.
2. **Trucco, E.**, Connery, H. S., Griffin, M. L., Greenfield, S. F. (2005, December). What is the role of self-esteem in treatment outcomes of alcohol dependent men and women? Poster presented at the annual American Academy of Addiction Psychiatry Meeting and Symposium, Scottsdale, AZ. Abstract published in *American Journal on Addictions*, 15(4), 316-325.
3. Jaffee, W., **Trucco, E.**, Teter, C., Levy, S., Weiss, R. (2006, June). Is this urine really clean? Adulteration in urine drug screening and testing. Poster presented at the annual College on Problems of Drug Dependence Meeting, Scottsdale, AZ.
4. Greenfield, S. F., **Trucco, E. M.**, McHugh, R. K., Lincoln, M., Gallop, R. J. (2006, June). A randomized controlled trial of the single-gender Women's Recovery Group versus mixed-gender Group Drug Counseling for women with substance dependence. Poster presented at the annual Scientific Meeting of the Research Society on Alcoholism, Baltimore, MD. Abstract published in *Alcoholism: Clinical and Experimental Research*, 30(6s1), 7A-234A.
5. **Trucco, E. M.**, Constantine, J., Sugarman, D. E., Greenfield, S. F. (2006,

- November). Predictors of one-year drinking and functional outcomes in 101 patients with alcohol dependence. Poster presented at the annual Association for Cognitive and Behavioral Therapies Convention, Chicago, IL.
6. Benningfield, M. M., **Trucco, E. M.**, Lincoln, M., Barreira, P. J., Greenfield, S. F. (2006, December). Gender differences in college students presenting for treatment of alcohol intoxication. Poster presented at the annual American Academy of Addiction Psychiatry Meeting and Symposium, St. Petersburg, FL. Abstract published in *American Journal on Addictions*, 16(4), 316-324.
 7. **Trucco, E. M.**, Benningfield, M. M. Barreira, P. J., Greenfield, S. F. (2006, December). School year differences in college students presenting to University Health Services Treatment for alcohol intoxication. Poster presented at the annual American Academy of Addiction Psychiatry Meeting and Symposium, St. Petersburg, FL. Abstract published in *American Journal on Addictions*, 16(4), 316-324.
 8. **Trucco, E. M.**, Bowker, J. C., Colder, C. R. (2008, August). Psychometric properties of the Revised Interpersonal Goals Inventory for Children. Poster presented at the annual American Psychological Association Convention, Boston, MA.
 9. **Trucco, E. M.**, & Colder, C. R. (2009, April). The influence of social goals and perceived peer attitudes on intentions to use tobacco and alcohol in an adolescent sample. Poster presented at the biennial Society for Research in Child Development Meeting, Denver, CO.
 10. **Trucco, E. M.**, Colder, C. R., & Wieczorek, W. F. (2010, March). Delinquent peers and social reinforcement: A moderated mediation study of intentions to initiate alcohol and cigarette use. Poster presented at the Society for Research in Adolescence Biennial Meeting, Philadelphia, PA.
 11. **Trucco, E. M.**, Wright, A. G. C., & Colder, C. R. (2010, November). Replication and revision of the circumplex structure of adolescent interpersonal goals. Poster presented at the Association for Behavioral and Cognitive Therapies Annual Convention, San Francisco, CA.
 12. Rhodes, J. D., **Trucco, E. M.**, Colder, C. R., Speidel, C., Hawk, L. W., Jr., Lengua, L. J., & Eiden, R. D. (2011, April). Effortful control, reinforcement sensitivity, and childhood behavioral problems. Poster presented at the Society for Research in Child Development Meeting, Montreal, Canada.
 13. Scalco, M., **Trucco, E. M.**, Colder, C. R. & Lengua, L. J. (2012, March). The effect of co-occurring internalizing and externalizing symptoms on adolescent substance use. Poster presented at the Society for Research on Adolescence Biennial Meeting, Vancouver, Canada.
 14. Wright, A. G. C., **Trucco, E. M.**, & Colder, C. R. (2012, March). A longitudinal study of adolescent personality development. Poster presented at the Society for Research on

Adolescence Biennial Meeting, Vancouver, Canada.

15. **Trucco, E. M.**, Villafuerte, S., Burmeister, M., Shedden, K., Buu, A., & Zucker, R. A. (2013, June). The role of *GABRA2* as a moderator of parental monitoring on externalizing: Plasticity or vulnerability factor? Poster presented at the Research Society on Alcoholism Annual Meeting, Orlando, FL. Abstract published in *Alcoholism: Clinical and Experimental Research*, 37 (Suppl. 2), 64A.
16. Burmeister, M., Villafuerte, S., **Trucco, E.**, Heitzeg, M., & Zucker, R. A. (2013, October). Understanding the risk pathway from *GABRA2* to alcoholism: Effects of personality, brain, development and gene x environment interactions. Poster presented at the American Society of Human Genetics conference, Boston, MA.
17. **Trucco, E. M.**, Villafuerte, S., Burmeister, M., Shedden, K., & Zucker, R. A. (2013, October). Differential susceptibility to adolescent alcohol use pathways: Examining the interplay between *GABRA2* and parental monitoring. Poster presented at NIAAA T32 Workshop, San Diego, CA.
18. **Trucco, E. M.**, Villafuerte, S., Heitzeg, M. M., Burmeister, M., & Zucker, R. A. (2014, April). Beyond risk: Reconceptualizing GxE interactions in adolescence. Poster presented at the Annual Silverman Conference, University of Michigan, Ann Arbor, MI.
19. **Trucco, E. M.**, Hicks, B., Nigg, J., Burmeister, M., & Zucker, R. A. (2015, May). Temperament and externalizing behavior mediate genetic effects on adolescent alcohol, cigarette, and marijuana use. Poster presented at the Annual Silverman Conference, University of Michigan, Ann Arbor, MI.
20. Jester, J. M., **Trucco, E. M.**, Puttler, L. I., Heitzeg, M. M., & Zucker, R. A. (2015, June). Greatest effect of alcohol use on executive functioning is in late adolescence/young adulthood. Poster presented at the Research Society on Alcoholism Annual Meeting, San Antonio, TX.
21. Burmeister, M., **Trucco, E. M.**, Ramdas, S., Parker, S., Heitzeg, M., Villafuerte, S., & Zucker, R. A. (2016, December). *GABRA2* association with addiction-related endophenotypes is environmentally influenced. Poster presented at the American College of Neuropsychopharmacology Annual Meeting, Hollywood, FL.
22. **Trucco, E. M.** (2016, December). A developmental perspective on the role of genes on substance use disorder. Poster presented at the National Institute on Drug Abuse Genetics Consortium Meeting, Rockville, MD.
23. Ladis, B., Thomlison, B., Macgowan, M., Fava, N. M., Huang, H., & **Trucco, E. M. (senior author)** (2017, January). Parent-focused prevention interventions for substance use and youth problem behaviors: A systematic review utilizing the Society for Prevention Research efficacy criteria. Poster presented at the Society for Social Work and Research Annual Meeting, New Orleans, LA.

24. Ladis, B., Huang, H., Thomlison, B., Fava, N. M., & **Trucco, E. M. (senior author)** (2017, May). Development of a comprehensive measure of parenting quality for early adolescence. Poster presented at the Society for Prevention Research Annual Conference, Washington D.C.
25. **Trucco, E. M.**, Fava, N. M., Martz, M. E., Jester, J. M., Zucker, R. A., & Heitzeg, M. M. (2017, June). Relation between childhood adversity, externalizing behavior, and substance use in adolescence: Mediating effects of brain processes. Poster presented at the Research Society on Alcoholism Annual Meeting, Denver, CO.
26. **Trucco, E. M.**, Villafuerte, S., Hussong, A., Burmeister, M., & Zucker, R. A. (2017, June). Biological underpinnings of an internalizing pathway to alcohol, cigarette, and marijuana use. Poster presented at the Research Society on Alcoholism Annual Meeting, Denver, CO.
27. Ladis, B., Huang, H., Thomlison, B., Fava, N. M., & **Trucco, E. M. (senior author)** (2018, March). Longitudinal effects of peer, school, and parenting contexts on substance use initiation in middle adolescence. Poster presented at the Annual Collaborative Perspectives on Addiction Conference, Tampa, FL.
28. Otero, P. & **Trucco, E. M.** (2018, March). The impact of genetic risk on the association between parental monitoring and problematic alcohol use from adolescence to early adulthood. Poster presented at the Conference for Undergraduate Research at Florida International University, Miami, FL.
29. Otero, P. & **Trucco, E. M.** (2018, October). The impact of genetic risk on the association between parental monitoring and problematic alcohol use from adolescence to early adulthood. Poster presented at the McNair Scholars Research Conference, Florida International University, Miami, FL.
30. Otero, P. & **Trucco, E. M.** (2018, November). The impact of genetic risk on the association between parental monitoring and problematic alcohol use from adolescence to early adulthood. Poster presented at the Annual Biomedical Research Conference for Minority Students, Indianapolis, IN. *Recipient of Outstanding Student Poster Presentation Award.
31. Cristello, J. V., **Trucco, E. M.**, Zucker, R. A. (2019, February). Exploring pathways to adolescent substance use: A longitudinal examination of sport participation. Poster presented at the Annual Miami International Child and Adolescent Mental Health Conference. Miami, FL.
32. Cristello, J. V., **Trucco, E. M.**, Zucker, R. A. (2019, March). Exploring pathways to adolescent substance use: A longitudinal examination of sport participation. Poster presented at the Annual Collaborative Perspectives on Addiction Meeting. Providence, RI.

43. Cristello, J. V., Sutherland, M. T., **Trucco, E. M. (senior author)**. (2020, April). Validation of the Adolescent E-Cigarette Consequences Questionnaire. Poster presented to the Collaborative Perspectives on Addiction Conference, San Diego, CA. Presented virtually due to COVID-19. DOI: 10.17605/OSF.IO/XGY9K.
44. Villar, M. G., **Trucco, E. M.**, Fava, N. M., & Zucker, R. A. (2021, March). Internalizing pathways to adolescent substance use from adverse childhood experiences. Poster presented to the Society for Research on Adolescence Virtual Conference.
45. Sutherland, B. D., Sutherland, M. T., & **Trucco, E. M. (senior author)** (2021, March). The synergistic effect of low self-control and internalizing symptoms on adolescent electronic cigarette use intentions. Poster presented to the Society for Research on Adolescence Virtual Conference.
46. Villar, M. G., **Trucco, E. M.**, Hardee, J. E., Zucker, R. A., Heitzeg, M. M. (2021, March). Anxiety mediates the association between emotional reactivity and adolescent alcohol use. Poster presented to the Society for Research on Adolescence Virtual Conference.
47. del Valle, N., Cristello, J. V., Madan, B., Sutherland, B., Sutherland, M., & **Trucco, E. M. (senior author)** (2020, June). An examination of caregiver-adolescent discrepancies on internalizing behaviors and adolescents' intentions to use electronic cigarettes. Poster accepted to the College on Problems of Drug Dependence, Hollywood, FL (Canceled due to COVID-19).
48. Crooks, K. E., Flannery, J. S., Sutherland, B., Villar, M., Madan, B., Viera Perez, P., **Trucco, E. M.**, & Sutherland, M. T. (2020, June). Interdependent effects of worry/fear and obsessive-compulsive symptomatology on adolescent electronic nicotine delivery system use intentions. Poster presented to the College on Problems of Drug Dependence Virtual Conference.
49. Viera Perez, P., Crooks, K., Flannery, J. S., Villar, M., Madan, B., Sutherland, B., **Trucco, E. M.**, & Sutherland, M. T. (2020, June). Parental monitoring style and peer influences mediate intentions for future electronic nicotine delivery system use among adolescents with ADHD symptomatology. Poster presented to the College on Problems of Drug Dependence Virtual Conference.
50. Cristello, J. V., Sutherland, M. T., & **Trucco, E. M. (senior author)** (2020, August). The impact of Instagram content on perceived harm due to alcohol and marijuana use among adolescents. Poster presented to the American Psychological Association Virtual Convention.

51. Zapata, M. F., Hartmann, S. A., Sutherland, M. T., & **Trucco, E. M. (senior author)** (2020, October). Social goals moderate the relation between peer use and approval and adolescent intentions to initiate substance use. Poster presented to the Undergrad Research FIU Virtual Conference, Miami, FL.
52. Crooks, K. E., Flannery, J. S., Sutherland, B., Villar, M., Madan, B., Viera Perez, P., **Trucco, E. M.**, & Sutherland, M. T. (2021, February). Interdependent effects of worry/fear and obsessive-compulsive symptomatology on adolescent electronic nicotine delivery system use intentions. Poster presented to FIU's Graduate Student Appreciation Week Scholarly Virtual Forum, Miami, FL.
53. Ulerio, P., Flannery, J. S., **Trucco, E. M.** & Sutherland, M.T. (2021, March). Relationships between sleep hygiene and reinforcement learning among adolescents. Poster presented to FIU's Undergraduate Virtual Research Conference, Miami, FL.
54. Hartmann, S. A., Cristello, J. V., Manresa, O., Sutherland, M. T., & **Trucco, E. M. (senior author)** (2021, March). Cognitive interviews aid in the refinement of an adolescent e-cigarette use questionnaire. Poster presented to the Collaborative Perspectives on Addiction Conference, Virtual.
55. del Valle, N., Cristello, J. V., Sutherland, B., Madan, B., Sutherland, M., & **Trucco, E. M. (senior author)** (2021, April). Rule-breaking discrepancies as a mediator between parental monitoring and adolescent e-cigarette use. Poster presented to the Collaborative Perspectives on Addiction Conference, Virtual.
56. Cristello, J. V., Moreno, M. A., Sutherland, M. T., & **Trucco, E. M. (senior author)** (2021, March). Injunctive norms as a mediator between alcohol and marijuana Instagram exposure and use intentions. Poster presented to the Collaborative Perspectives on Addiction Conference, Virtual.
57. Zapata, M. F., Hartmann, S. A., Sutherland, M. T., & **Trucco, E. M. (senior author)** (2021, April). Social goals moderate the relation between peer use and approval and adolescent intentions to initiate substance use. Poster presented to the Society for Research in Child Development Virtual Conference.
58. Villar, M., Fava, N. M., Meldrum, R., Zucker, R.A. & **Trucco, E. M. (senior author)** (2021, April). Adverse childhood experiences, sleep problems, low self-control, and delinquency: A longitudinal serial mediation analysis. Poster presented to the Society for Research in Child Development Virtual Conference.
59. Hartmann, S. A., Hayes, T., Sutherland, M. T., & **Trucco, E. M. (senior author)** (2021, April). Risk factors for adolescent substance use: Dimensions and typologies of temperament. Poster presented to the Society for Research in Child Development Virtual Conference.

60. Fallah-Sohy, N., Sutherland, M. T., & **Trucco, E. M. (senior author)** (2021, April). Do acculturative gap conflicts impact parenting practices and youth e-cigarette use? Tests of moderated mediation. Poster presented to the Society for Research in Child Development Virtual Conference.
61. Sutherland, B. D., Fallah-Sohy, N., Kopera, M., Jakubczyk, A., Sutherland, M. T., & **Trucco, E.M. (senior author)** (2021, April). Alexithymia mediates the association between childhood trauma and adolescent substance use. Poster presented to the UF CARE 8th Annual Symposium, Virtual.
62. Hartmann, S. A., Cristello, J. V., Manresa, O., Sutherland, M. T., & **Trucco, E. M. (senior author)** (2021, April). The use of cognitive interviews to aid in the development of a measure to assess quantity and frequency of adolescent e-cigarette use. Poster presented to the UF CARE 8th Annual Symposium, Virtual.
63. Hartmann, S. A., Hayes, T., Sutherland, M. T., & **Trucco, E. M. (senior author)** (2021, April). Risk factors for adolescent substance use: Dimensions and profiles of temperament. Poster presented to the UF CARE 8th Annual Symposium, Virtual.
64. Hidmi, N., Hartmann, S. A., Sutherland, M. T., & **Trucco, E. M. (senior author)** (2021, April). Student connectedness moderates the association between peer use and approval of e-cigarettes and intentions to use. Poster presented to the UF CARE 8th Annual Symposium, Virtual.
65. Hidmi, N. J., Manresa, O., Hartmann, S. A., Sutherland, M. T., & **Trucco, E. M. (senior author)** (2021, November). Coping activities during COVID-19 ameliorate the lack of technical resources' negative impact on adolescent mental health. Poster presented to the Association for Behavioral and Cognitive Therapies (ABCT) Annual Conference, New Orleans, LA, Virtual.
66. Manresa, O., Hartmann, S. A., Hidmi, N. J., Sutherland, M. T. & **Trucco, E. M. (senior author)** (2021, November). The continued benefit of distress tolerance during the COVID-19 pandemic. Poster presented to the Association for Behavioral and Cognitive Therapies (ABCT) Annual Conference, New Orleans, LA, Virtual.
67. Hill-Bowen, L.D., Flannery, J.S., Basavaraj, A., Mattoni, M., Hartmann, S.A., Laird, A.R., **Trucco, E.M.**, & Sutherland, M.T. (2021, September). Temperamental typologies in the ABCD study: Implications for psychopathology risk factors. Poster presented to the Flux Society Conference Annual Virtual Meeting.
68. Villar, M. G., Kumar, M., Sutherland, M. T., & **Trucco, E. M.** (2022, March). Physical isolation during the COVID-19 pandemic moderates the effect between pre-pandemic abuse and stress and depression. Poster presented to the Society for Research on Adolescence Biennial Meeting, Virtual.
69. Rodrigues, N., Sutherland, B. D., Sutherland, M. T., & **Trucco, E. M.** (2022, March). Brain and behavior: Cognitive failures are associated with sensation seeking via adolescent

marijuana use. Poster presented to the Undergraduate Research Florida International University Conference, Miami, FL.

70. Cristello, J.V., Mahajan, K., Levens, S., & **Trucco, E.M.** (2022, April). An analysis of Twitter content related to vaping one month before and after the start of COVID-19. Poster presented to the Collaborative Perspectives on Addiction Conference, Portland, OR.
71. Sutherland, B. D., Flannery, J. S., Riedel, M. C., Hill-Bowen, L. D., Viera Perez, P. M., Crooks, K., Laird, A. R., **Trucco, E. M.**, & Sutherland, M. T. (2022, June). The association of amygdala-insula functional connectivity and sleep via negative affect among teens. Poster presented to the Organization for Human Brain Mapping Conference, Glasgow, Scotland.
72. Hill-Bowen, L. D., Riedel, M. C., Flannery, J. S., Viera Perez, P. M., Crooks, K., Sutherland, B. D., Hartmann, S. A., Laird, A. R., **Trucco, E. M.**, & Sutherland, M. T. (2022, June). Neurocognitive predictors of adolescent drug use: Working memory-related PCC deactivation and cognitive failures. Poster presented to the Organization for Human Brain Mapping Conference, Glasgow, Scotland.
73. Viera, P. M., Sutherland, B. D., Flannery, J. S., Riedel, M. C., Hill-Bowen, L. D., Crooks, K. E., Laird, A. R., **Trucco, E. M.**, Sutherland, M. T. (2022, June). Amygdala-insula resting-state functional connectivity predicts substance use in adolescents. Poster presented to the Organization for Human Brain Mapping Conference, Glasgow, Scotland.
74. Cristello, J.V., Sutherland, M.T., & **Trucco, E. M.** (2022, August). Examining adolescent exposure to alcohol and marijuana content across popular social media platforms. Poster presented to the American Psychological Association Convention, Minneapolis, MN. *Recipient of Early Career Investigator Award, National Institute of Alcoholism and Alcohol Abuse (R13AA022858).
75. Sutherland, B. D., Hill-Bowen, L., **Trucco, E. M.**, Sutherland, M. T. (April, 2023). Working memory alterations predict adolescent e-cigarette use and positive outcome expectancies via alexithymia. Poster presented to the UF CARE 10th Annual Symposium, Gainesville, FL.
76. Peña, B. I., Fallah-Sohy, N., Sutherland, M. T., & **Trucco E. M.** (April, 2023). Spirituality as a protective factor against acculturative stress and discrepancy conflicts for Latino/a immigrant families. Poster presented to Florida International University Undergraduate Conference, Miami, FL.
77. Viera Perez, P. M., Hartmann, S. A., Hayes, T., **Trucco, E. M.**, & Sutherland, M. T. (June, 2023). Differential reward processing across adolescent temperamental profiles associated with increased risk of substance use. Poster presented to The College on Problems of Drug Dependence Conference, Denver, CO.

TEACHING AND ADVISING

Courses Taught (Florida International University)

Theory, Research, and Treatment of Addictive Behavior (PCO 5311) <u>Instructor.</u> Graduate students.	05/2017-Present
Assessment and Treatment II: Externalizing Disorders (CLP 6472) <u>Instructor.</u> Graduate students.	01/2018-Present
Psychology of Drugs and Drug Use (SOP3932) <u>Instructor.</u> Undergraduate students.	08/2023-Present

Courses Taught (University at Buffalo)

Abnormal Psychology (PSY 322) <u>Instructor.</u> Undergraduate students.	06/2008-07/2008
Abnormal Psychology (PSY 322) <u>Instructor.</u> Undergraduate students.	01/2010-05/2010

Clinical Supervision

Advanced Practicum, Advanced Psychological Assessment (CLP 6943) Florida International University <u>Clinical Supervisor.</u> Graduate students.	08/2016-07/2020

Undergraduate Honors and McNair Mentorship

- Valery Hidalgo, Advanced Research and Creativity in Honors (ARCH), FIU Honors College 09/2017-05/2018
- Patricia Otero, Advanced Research and Creativity in Honors (ARCH), FIU Honors College 09/2017-05/2018
- Chabeli Cardenas, Advanced Research and Creativity in Honor (ARCH), FIU Honors College 09/2019-05/2020
- Maria Zapata, Advanced Research and Creativity in Honor (ARCH), FIU Honors College 09/2019-05/2020
- Maria Zapata, Ronald E. McNair Fellow, Florida International University 04/2019-05/2022
- Nicole Rodrigues, Advanced Research and Creativity in Honor (ARCH), FIU Honors College 09/2021-05/2022

Additional Mentorship Activity

- Ana Toro, Florida International University, Graduate Student, 09/2015-08/2016: graduated with Master's degree, data analysis training, accepted to dental school
- Shasank Chennupati, Florida International University, Graduate Student, 01/2016-08/2016: graduated with Master's degree, data analysis training
- Melany Paneque, Florida International University & Hialeah Senior High School, High School Student, 09/2016-08/2017: assisted with research tasks
- Paige Goldman, Florida International University, Postbaccalaureate Research Staff, 09/2016-05/2020
- Danielle Cornacchio, Florida International University, Graduate Student, 09/2016-08/2017: provided clinical supervision, completed full psychological assessments for children and adolescents
- Jacqueline Dupperouzel, Florida International University, Graduate Student, 09/2016-08/2017: provided clinical supervision, completed full psychological assessments for children and adolescents
- Brittany Merrill, Florida International University, Graduate Student, 01/2017-05/2017: Candidacy paper completed
- Victor Buitron, Florida International University, Graduate Student, 09/2017-05/2018: provided clinical supervision, completed full psychological assessments for children and adolescents
- Daniella Vaclavik, Florida International University, Graduate Student, 09/2017-05/2018: provided clinical supervision, completed full psychological assessments for children and adolescents
- Kelly Cromer, Florida International University, Graduate Student, 09/2017-05/2018: provided clinical supervision, completed full psychological assessments for children and adolescents
- Tommy Chou, Florida International University, Graduate Student, 09/2017-05/2018: provided clinical supervision, completed full psychological assessments for children and adolescents
- Patricia Otero, Florida International University, Undergraduate Student, 09/2017-08/2019: completed Advanced Research and Creativity in Honors (ARCH) Program,

- presented posters at conferences, won student awards
- Camila Ferreiro, Florida International University, Undergraduate Student, 09/2017-12/2018: trained in completing research lab tasks
- Brigitte Madan, Florida International University, Postbaccalaureate Research Staff, 01/2018-05/2022: Supervised research activities, presented at conferences, published articles, accepted to a doctoral program, won conference travel awards
- Liset Perez, Florida International University, Undergraduate Student, 01/2018-08/2018: trained in completing research lab tasks
- Nasreen Hidmi, Florida International University, Master's Level Research Staff, 01/2018-Present: Supervised research activities and presented at conferences
- Benjelene Sutherland, Florida International University, Undergraduate Student, 01/2018-05/2019: Supervised research activities and presented at conferences
- Stephanie Diez, Florida International University, Graduate Student, 01/2018-12/2019: Presented at conferences, published journal articles, and won student awards
- Christina Saintlouis, Florida International University, Research Staff, 05/2018-08/2018: Supervised research activities
- Nathalie Del Valle, Florida International University, High School Student, 05/2018-Present: Supervised research activities, presented at conferences, submitted a paper for publication
- Zaiyah Lewis, Florida International University, Undergraduate Student, 05/2018-08/2018: Supervised research activities
- Sandra Perez, Florida International University, Undergraduate Student, 09/2018-08/2019: Supervised research activities
- Maria Zapata, Florida International University, Undergraduate Student, 09/2018-Present: Supervised research activities, provided primary mentorship on independent honor's project through the McNair Scholars Program and the ARCH Program
- Chabeli Cardenas, Florida International University, Undergraduate Student, 09/2018-08/2022: Supervised research activities, provided primary mentorship on independent honor's project through the Advanced Research and Creativity in Honors (ARCH) Program
- Lauren Vilau, Florida International University, Undergraduate Student, 09/2018-08/2019: Supervised research activities
- Michelle Villar, Florida International University, Research Staff, 08/2018-12/2022: Supervised research activities, presented at conferences, published journal articles
- Odette Manresa, Florida International University, Master's Level Staff, 01/2019-05/2022: Supervised research activities and presented at conferences
- Julie Cristello, Florida International University, Predoctoral Student, 01/2019-05/2023: Supervised clinical assessments and psychological report writing
- Maynela Quiñones, Florida International University, Undergraduate Student, 05/2019-05/2021: Supervised research activities
- Alexander Rodriguez, Florida International University, Undergraduate Student, 05/2019-05/2021: Supervised research activities
- Valentina Satizabal, Florida International University, Undergraduate Student, 05/2019-05/2020: Supervised research activities
- Benjelene Sutherland, Florida International University, Postbaccalaureate Research Staff, 05/2019-08/2020: Supervised research activities

- Milieni Campey, Florida International University, Graduate Student, 09/2019-05/2020: provided clinical supervision, completed full psychological assessments for children and adolescents
- Ruben Castellon, Florida International University, Undergraduate Student, 09/2019-08/2020: Supervised research activities
- Haven Blackmon, Florida International University, Undergraduate Student, 01/2020-08/2020: Supervised research activities
- Sheila Dizayee, Florida International University, Undergraduate Student, 01/2020-08/2020: Supervised research activities
- Victoria De Barros, Florida International University, Undergraduate Student, 05/2020-12/2021: Supervised research activities
- Michelle Rodriguez, Florida International University, Undergraduate Student, 05/2020-08/2021: Supervised research activities
- Mari Kumar, Florida International University, High School Student, 09/2020-12/2021: Supervised research activities
- Katherine Rivas, Florida International University, Undergraduate Student, 01/2021-08/2022: Supervised research activities
- Aileen Abreu, Florida International University, Undergraduate Student, 01/2021-12/2021: Supervised research activities
- Miguel Perez, Florida International University, Undergraduate Student, 01/2022-12/2022: Supervised research activities
- Kevin Leiva, Florida International University, Undergraduate Student, 05/2021-12/2022: Supervised research activities
- Alexandra Sawczak, Florida International University, Undergraduate Student, 05/2021-Present: Supervised research activities
- Manuel Bruzos, Florida International University, Undergraduate Student, 05/2022-Present: Supervised research activities
- Byron Peña, Florida International University, Undergraduate Student, 05/2022-Present: Supervised research activities
- Jamila Gonzalez, Florida International University, Undergraduate Student, 05/2022-Present: Supervised research activities

Student Awards

Barry Ladis, LCSW, CAP, Student Travel Award, Society for Prevention Research, 2017

Julie Cristello, B.A. Emerging Scholar, Society for Research on Adolescence, 2017

Julie Cristello, B.A., \$1,000 Flexibility Fund, Academy of Psychological Clinical Science, 2017

Barry Ladis, LCSW, CAP, Path Travel Scholarship, FIU Robert Stempel College of Public Health and Social Work, Florida International University, 2018

Barry Ladis, LCSW, CAP, Dissertation Year Fellow, FIU Robert Stempel College of Public Health and Social Work, Florida International University, 2018

Patricia Otero, Annual Biomedical Research Conference for Minority Students Presentation Award, Indianapolis, IN, 2018

Julie Cristello, National Institute on Drug Abuse (T32DA043449; PI: William E. Pelham, Jr., Phd. ABPP). Role: Predoctoral Fellow: 2019-2021

Benjelene Sutherland, \$3,000 grant from Psi Chi Grants Committee, 2019-2020

Sarah Hartmann, Presidential Fellowship, Florida International University, 2019-2022

Michael Riedel, "Sociocultural factors impacting reward processing and electronic nicotine delivery system use among Latino teens," \$50,000 grant from the Center for Research on U.S. Latino HIV/AIDS and Drug Abuse (CRUSADA), 04/01/2019-03/31/2021

Sarah Hartmann, "Focus Groups and Cognitive Interviews to Inform Development and Refinement of Interventions and Assessments for Vaping Among Latinx Youth," \$5,000 grant from the Center for Children and Families, Florida International University, 2019-2020

Jessica Flannery, "Behavioral approach toward electronic nicotine delivery system stimuli and future use intentions among middle schoolers," \$5,000 grant from the Center for Children and Families, Florida International University, 2019-2020

Brigitte Madan, \$200 Emerging Scholar Student Travel Award, Society for Research on Adolescence Biennial Meeting, 2020

Michelle Villar, \$200 Emerging Scholar Student Travel Award, Society for Research on Adolescence Biennial Meeting, 2020

Julie Cristello, \$750 National Institute on Alcohol Abuse and Alcoholism R12-Funded Travel Award, American Psychological Association Annual Convention, 2020

Julie V. Cristello, \$250 (First Place) American Psychological Association Convention Student Poster Award, American Psychological Convention, Division 50, 2020

Julie Cristello, \$250; "The impact of Instagram content on perceived harm due to alcohol and marijuana use among adolescents," Early Career Investigator Award, National Institute of Alcoholism and Alcohol Abuse (R12AA022858), American Psychological Association. This poster won first place as a student poster award, 2020.

Megan Hare, \$525; Seed Fund, Psychology Department, Florida International University,

2020-2021.

Benjelene Sutherland, \$20; “Alexithymia mediates the association between childhood trauma and adolescent substance use,” UF CARE Symposium Poster Award, Center for Addiction Research and Education, University of Florida, 2021.

Benjelene Sutherland, \$85; “Alexithymia mediates the association between childhood trauma and adolescent substance use” Society for Prevention Research Minority Travel Award, 2021.

Julie V. Cristello, \$2,000; “Identifying drug and alcohol displays on social media using a machine learning approach, and mechanisms that impact adolescent substance use” Seed Fund, Psychology Department, Florida International University 2021-2022.

Julie Cristello, \$2,000; “Identifying drug and alcohol displays on social media using a machine learning approach, and mechanisms that impact adolescent substance use” Seed Fund, Psychology Department, Florida International University 2021-2022.

Katherine Crooks, \$5,000; “Effects of temperament on sleep health and substance use in adolescents,” \$5,000 grant from the Center for Children and Families, Florida International University, 2022-2023.

Sarah Hartmann, \$1,000 Flexibility Fund, Academy of Psychological Clinical Science, 2022

Julie V. Cristello, Early Career Investigator Award, National Institute of Alcoholism and Alcohol Abuse (R13AA022858), Annual Convention of the American Psychological Association, 2022.

Sarah Hartmann, Student Academic Achievement & Service Thesis Award, College of Arts, Sciences, and Education, Florida International University, 2022.

Sarah Hartmann, \$1,000 Excellence Award for Outstanding Paper, University Graduate School, Florida International University, 2022.

Benjelene Sutherland, \$20; “The association of amygdala-insula functional connectivity and adolescent e-cigarette use via sleep problems and depressive symptoms,” UF CARE Symposium Data Blitz Award, Center for Addiction Research and Education, University of Florida, 2022.

Julie Cristello, Clinical Science in Child and Adolescent Psychology’s Outstanding Achievement Award, 2022.

Benjelene Sutherland, \$1,249; 2021-2022 Summer Unrestricted Travel Grant. Psi Chi Awards Committee, 2022.

Sarah Hartmann, \$1,920; “Qualitative methodologies to inform developmental and dissemination of a culturally anchored caregiver-report measure of temperament among Latino adolescents residing in the United States” Seed Fund, Psychology Department, Florida International University 2022-2023.

Megan Hare, \$1,920; “Validating the emotional competence in children measure within a clinical sample” Seed Fund, Psychology Department, Florida International University 2022-2023.

Benjelene Sutherland, \$300; 10th Annual UF CARE Symposium Travel Award, University of Florida, 2023.

Benjelene Sutherland, \$1,000; 2023 College on Problems of Drug Dependence, NIDA Director’s Travel Award, 2023.

Julie Cristello, \$200; 2023 APPIC Cynthia Belar Internship Applicant Scholarship Program (ACBIAS)
